

*Your wishes: our passion, our art*

- **AERO-STRUCTURES**
- **PRISMATIC PARTS**
- **ACCESSORIES**

APR core business in 5-axes simultaneous machining is appreciated by some of the main **AERO-STRUCTURE** industries for the following production:

- Complex parts for structures in any alloy up to 2000 mm: ribs, frames, brackets, supports, links;
- Dimensional control gauges for testing and assembly masters.
